DAYCARE RECOMMENDATIONS

- ← We recommend that the first few visits to daycare, be half-day visits for your dogs comfort. (either from 7am -12:30pm or 1:30pm-6:30pm) It can be stressful to be away from family and home the first few times, so short fun filled days have proven to be the best first experience!
- ← We recommend that you plan on bringing your dog in as close to" check-in "time as possible.
- ← We recommend that you bring treats or a full meal for lunch/nap time.
- ← We Recommend, that you call us to check on how things are going during the morning or after noon hour, so you won't be worried about your dogs first visit.
